

# St James Updates

Term 2 Week 8

Monday 4 June 2018

*'St James School Community is committed to the Victorian Child Safe Standards.'*

Dear families,

Thank you to those families who supported our Family Maths Night last Thursday evening. From my perspective, it was very encouraging to see so many parents displaying the message to their children that you value your child's learning, and in particular, their Maths learning. Some families had to be sent home or else they would have stayed until midnight enjoying the classroom maths activities, I am sure! Thanks to Josh Crowe, our Maths Leader for coordinating the evening. Thanks also to all staff who attended to ensure the evening ran so smoothly.

**Feast of the Sacred Heart** -We encourage all families to donate non-perishable food items which will be given to our local St Vincent de Paul Society this Friday.

## Interschool Sport - vs St. Philip's

In the Open Netball we had a great game which was played with great sportsmanship. We had a very successful game, by taking away a win. The score was 33 - 7 in the third quarter. We would've gone to mercy rule but we didn't have time to play the last quarter. In the girls netball we had a great time and all played as a team. We fought hard and in the end we came out on top. The final score for the girls netball team was 5-22. Great job girls!!

The girls tee ball was a whole lot of fun. We all played really well and won 14/12. In the Open tee ball we lost by 2 but played a great game. The scores were 14-16. In the football we came up against a strong St. Philip's team. The final score was 47-16 with St Philip's getting the win. We showed great sportsmanship and worked well as a team. Lots of people kicked some really good goals. Thank you for all the support we got from the parents who came along.
