

St James Updates

Term 2 Week 5
Monday 20 May 2019

'St James School Community is committed to the Victorian Child Safe Standards.'

Dear Families,

The students certainly enjoyed a great Fun Colour Run last Wednesday. The weather was beautiful and the fun and enthusiasm evident in all students helped make the event such a success. It was great to see so many parents cheering on the students as they completed many laps of the course.

Thank you to families who donated either online or by sending donations to the school office. We should have a total of funds raised available for next week's newsletter. Prize incentives that the students earned through fund raising, will arrive at the school in a few weeks' time. We will distribute these when they arrive. **Please remember to order prizes online via individual student profiles. This must be done by this Friday 24 May!** Students who sent money straight to the school will need to let the office know their nominated prize selection by Friday too. Most students have already done this and we thank you.

Thank you to all community members who supported our Auskick and Parents and Friends BBQ over the election weekend.

Next week is our St John's Parish Mission Week so please refer to last week's newsletter for a detailed list of the learning sessions offered. These are great opportunities to engage in, reflect on and deepen our faith. We look forward to seeing you there.

This Wednesday evening, we are offering our Child/Parent About Real Life combined sessions.
